- Part 5 (the inscriptions of Asia Minor) was printed, as were the other components of Le Bas' work, in instalments or fascicules (*livraisons*) but, at the time of his death, it was incomplete. Le Bas had published the whole of the first half (the inscriptions in majuscule) of part 5 (sections 1-12 and 13 Additions) and section 1 ("livraison 47" [printed in Paris in 1858] pages 1-26) of the second half (the texts in minuscule, and the explanatory notes). The first half of the Asia

Minor inscriptions – the texts in majuscule – began with “livraison 41” (printed in Paris in 1853), and ended with “livraison 46” (printed in Paris in [?]1858). Waddington completed the second half from Le Bas’ papers. Both halves were then printed in Paris in 1870 as a unified whole.
