

Çatalhöyük Excavations: The 2009–2017 Seasons

Edited by
Ian Hodder

Colour & scalable figures for Chapter 2. Excavation, recording and sampling methodologies

Shahina Farid, Ian Hodder and Dominik Lukas
with contributions by James Taylor

Çatalhöyük Excavations: The 2009–2017 Seasons

Data Category	In Situ	Location	Description	Material	Deposition	Additional information
Fill		between walls building cut	burial ditch foundation cut gully pit posthole scoop stakehole basin bin hearth ladder oven		heterogeneous homogeneous	basal deposit
Floors (use)		building feature external	general raised area(platform) roof (use) basin bin burial hearth niche oven pedestal/podium/plinth ridge	non-white laid floor mixed occupation (accumulated / trample/ ash rakeout) white clay baked (for oven & hearths)	composite (floor/bedding/plaster/packing/occupation) multiple single	painted [clay/plaster only]
Construction/make-up/packing	in-situ non in-situ	between walls building external floor (packing only) roof (building) wall/blocking feature	basin bin hearth ladder moulding niche oven pedestal/podium/plinth post raised area(platform) ridge	brick brick&mortar mortar plise-like plaster re-used brick&mortar re-used superstructure	heterogeneous homogeneous layered (wall plaster)	painted [plaster only]
Midden		external in abandoned building			alluviated dumps coarsely bedded finely bedded	basal deposit
Activity	in-situ non in-situ		fire spots (non-structural) lime burning penning		heterogeneous homogeneous	basal deposit
Natural					alluvium backswamp buried soil colluvium marl	
Arbitrary			60's animal burrows arbitrary allocation for samples baulks cleaning not excavated unstratified very mixed void (unused unit no's)			painted [plaster only]
Cut			basin burial crawfhole ditch foundation trench general levelling gully hearth ladder moulding niche oven pit posthole scoop stakehole			
Cluster		between walls building external floors wall/blocking roof midden cut feature	burial ditch foundation cut gully pit posthole scoop stakehole basin bin hearth oven	primary component	primary deposition secondary deposition	list additional bits
Skeleton						

Figure 2.1. System of data categories used at Çatalhöyük (system devised by Shahina Farid, implemented by Anja Wolle; figure by Anja Wolle).

KJ 07.07.12

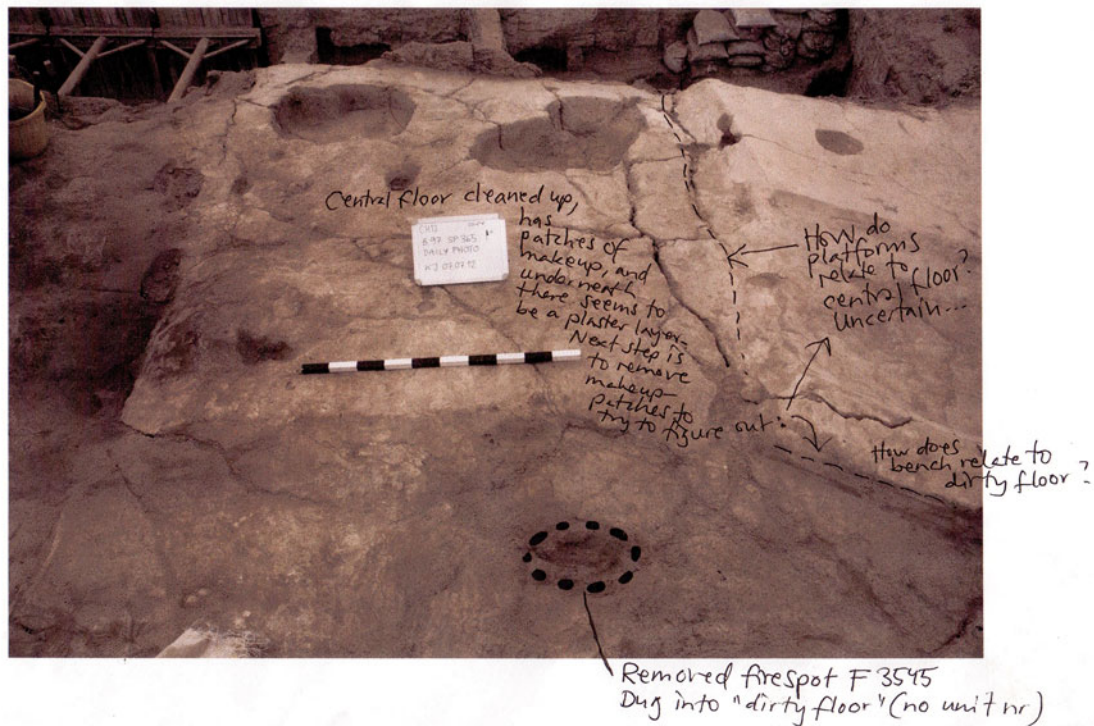

Figure 2.2. Example of daily sketch. This was recorded by Onur Yüksel on 7 July 2012 in Building 97, Space 365 (Source: Onur Yüksel).
